Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Vessel Walk Through

This Voyager focuses on the interior space for living, weekend or extended cruising and entertaining while still providing the luxurious overnight accommodations you would expect from Carver - with one added bonus: this is a three-stateroom yacht. You won't find this floor plan on any 46-footer. As you walk onboard and step into the full-beam salon through the tinted glass sliding cockpit door, you immediately see and feel an open concept that you would expect to find in a much larger motoryacht. A Flexsteel ultra leather L-shaped lounge that seats four is port and to starboard are two designer chairs surrounded by an elegant array of custom cherry wood cabinetry. An optional surround sound home theater system will make your guests feel like they are actually at the movies as they watch the flat screen LCD TV housed in a custom entertainment center. Recessed lighting will make night time entertaining possible as you enjoy the 360-degree water view. Moving into the galley located to port, you see amenities you expect in a Carver Yacht. Granite flooring and counter tops, smooth-top stove, coffee maker, convection microwave and refrigerator/freezer complete this impressive area. Directly starboard from the galley is a raised dinette that seats four comfortably and provides an elegant dining experience. With over 10' of headroom in this environment, not only will your dinner guests have a spectacular water view but a custom sapele pommele table with cherry tambour vertical under-cabinets is something never seen before and will be a great conversation topic. Stepping down into the companionway that leads to the staterooms, one will find excellent space and cabinets for your cruising needs. A VIP stateroom is to starboard and mid stateroom is to port. Both have excellent appointments that include designer fabrics and cherry wood cabinetry. A guest head with separate shower provides superior luxuries. The forward master stateroom boasts a wide walk-around island bed with innerspring mattress. Plenty of hanging lockers and cabinets housed in cherry wood allow for clothing storage and you can sleep in late or retire early to view your favorite movie on a flat-screen TV with DVD player. The master head and separate shower provide you all the comforts of home. This is a very easy to maneuver motoryacht with the included bow and stern thrusters. This yacht is equipped with powerful, efficient and dependable twin Volvo D9-EVC 500 HP diesels. "Island Time" also sports bridge air conditioning! There's a reason that the 460 Voyager has been such a hit over the years. Come see for yourself!

Salon

- AC and DC main distribution panels
- Flexsteel chairs (2)
- Cozumel interior with Zinfandel carpet
