Displacement: 4250 Pounds

Hull and Deck Information

Hull Material: Fiberglass

Hull Configuration: Modified Deep Vee

Engine Information

Engines: 1

Manufacturer: Mercruiser

Engine Type: Inboard

Fuel Type: Gas

DETAILED INFORMATION

Additional Information

In the cockpit, the X-Star's nerve center stems from the X-Pod, wired with the latest control area network (CAN) technology and digital speed control with standard MasterCraft Cruise. This bullet shaped configuration of billet aluminum, red faced gauges suspends the speedometer, tachometer and Perfect Pass cruise control in full view of the driver. The remainder of the dash is constructed of carbon fiber and houses all other essential instrumentation. The steering wheel is wrapped in leather and has a chrome center. The molded armrest incorporates a chrome throttle knob and a new digital AM/FM CD stereo remote.

Amidship, there is wrap-around seating (covered in dense 38 oz vinyl with new hammered metal vinyl accents), 4 stereo speakers with separates, a subwoofer and 8 more drink holders. Underneath each of the seats there are open cavities for storage. The observer's seat opens from amidship or the bow to form a dual access compartment large enough to fit 2 wakeboards and loads of supplies. Above the observer's seat, there is also a carbon fiber glove box that houses the Clarion receiver, a 12V outlet and room for +/- 30 cell phones. Above the cockpit is the Zero Flex Flyer tower with tight-clamping and rotating board racks that hold boards firmly in place while swiveling them inside or outside the boat. Tower speakers are capable of projecting greater distances to the rider.

The stern is almost unchanged above the water line. The X-Star still has a triple hatch sun pad and a large removable swim platform for launching riders. However, it has been re-powered with MasterCraft's multiport 310 hp, 5.7L, RTP-1 power plant under the center hatch. The RTP-1 offers more response, torque, and power in a multi-port injected package.

Exclusions

Owner's personal belongings. Owner's personal toys, including but not limited Jet-skis, Tenders, Sea Bobs, Fishing & Diving equipment.
