SPECIFICATIONS

Overview

The Mondo Marine M40 Explorer is designed by famed Italian naval architect Sergio Cutolo of HydroTec who has pioneered expedition & explorer style yachts.

The M40 Explorer is the mid-range model falling between the larger M56, M45 and above the smaller M35 solidifying the range as truly being able to offer a size & price option for every buyer.

Each yacht constructed at Mondo Marine is customized from the exterior, interior, machine spaces, to the decor. Utmost attention to detail truly sets Mondo Marine apart from the competition.

A proud member of SYBAss (Super Yacht Build Association) recognizes Mondo Marine as one of the premier builders of custom motor yachts specializing in Steel & Aluminum.

Basic Information

Category: Motor Yacht

Sub Category: Expedition

Model Year: 2016

Year Built: 2016

Country: Italy

Dimensions

LOA: 132' 7" (40.40m)

Beam: 27' 11" (8.50m)

Max Draft: 7' 7" (2.30m)

Speed, Capacities and Weight

Cruise Speed: 12 Kts. (14 MPH)

Cruise Speed Range: 4000

Max Speed: 13 Kts. (15 MPH)

Max Speed Range: 3500 Kts.

Gross Tonnage: 499 Pounds

Water Capacity: 3962.58078 Gallons

Fuel Capacity: 13736.946704 Gallons

Accommodations

Total Cabins: 5

Total Heads: 7

Captain Cabin: True

Crew Cabin: 5

Crew Sleeps: 9

Crew Heads: 5

Hull and Deck Information

New Build Project which can be completed in 28 months time from the date contracts are finalized.

Pricing depends on the options list & can be adjusted to satisfy the financial requirements of the most discerning of buyers.

Under 500 Gross Tons - 4,000nm Range - Steel Hull - True Global Explorer

Shipyard Overview

Mondo Marine designs, constructs and carries out the engineering to its yachts at its production site at Savona. The yard is positioned on the sea front and stretches over 35,000 square metres, 9,500 of which are covered. There are wharves stretching over 100 metres in length to accommodate maxi yachts. There is a 820-ton travel lift, one of the largest in the Mediterranean, and a 300-ton cradle. We are currently constructing new warehouses and will soon begin restructuring our offices.

Values

FULL PRODUCTION CYCLE Mondo Marine produces every element of its yachts, starting with the cut of the metal of the hull. Every detail of the yachts showcases the excellence of production and the pure Italian style. The yard exports worldwide. The workings on the aluminium and steel are done internally. **QUALITY AND SAFETY** The work is carried out to extremely high standards,

in line with ABS, Lloyd's Register and RINA. This guarantees precision and perfect linearity of construction as well as controls over the standards and ensures delivery on time.

TECHNOLOGY The MONDO MARINE ENGINEERING division carries out the installation of the most technologically advanced onboard systems as well as conducting naval engineering research into water lines and hydrodynamics. This makes it possible for Mondo Marine to create extraordinary powerful yachts that are fast and silent, making navigation extremely safe and comfortable. **ENVIRONMENTALLY FRIENDLY** Some 62 yachts have rolled off the slips to date. Among these is the famous Tribù, the first yacht to be awarded the Green Star certificate of environmental standards by RINA. This allows the owner to document his respect for the environment by fulfilling a series of rigorous technical criteria.

Exclusions

Owner's personal belongings. Owner's personal toys, including but not limited Jet-skis, Tenders, Sea Bobs, Fishing & Diving equipment.

Disclaimer

The Company offers the details of this vessel or yacht in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his representatives, agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel or yacht is offered subject to prior sale, price change, or withdrawal without notice.
