DON'T MISS THIS WELL CARED FOR 54 BERTRAM

**NEW 3 SIDED ENCLOSURE 6/16*

OWNER SAYS SELL!!!

SEA WALKER is a fine example of the timeless 54' Bertram. Known to be the standard of sportfishing battlewagons, she has been lovingly cared for as a family cruising and fishing boat by the same owner over the last fifteen plus years. Since he had the engines overhauled, the owner has put on 1100 easy hours of Bahamas cruising and fishing. He cruises the boat at a moderate 1850 RPM giving him a comfortable 21.5 knot cruise burning only 55GPH. SEA WALKER has everything needed to do it all. After a day of fishing and island hopping, settle down to a gourmet meal and watch your favorite satellite TV programs. There is plenty of fresh water from the 800GPD watermaker and all the ice you could want from the Eskimo 600lb/day icemaker. There is a 13' Boston Whaler Sport with a 40 HP Merc 4-stroke mounted on the bow with a low profile davit. Twin 15 KW Onan generators assure your cruising comfort.

And of course SEA WALKER lives up to the reputation of a sport fishing legend with everything you need to be one of the big boys. Full tower, live well, plenty of ice, fighting chair with rocket launcher and a total of 19 rodholders. All this and at a very attractive price.

SEA WALKER is an honest boat in excellent condition throughout. You must see the boat to appreciate the way it has been cared for. Lots of nice features like the blue LED underwater lighting, custom entry door, ceramic coated all metal and cockpit fittings re-chromed, Backlit Technographics Panels and so much more.

Make an appointment to see this fine sport fish, you won't be disappointed.
