SPECIFICATIONS

Overview

This owner takes great care of her and she's ready to cruise. It also has a custom hard top with a great enclosure need to see it to appreciate it. The 31 PC ranks at the top of the list when it comes to construction and performance in contemporary mid-cabin family cruisers. The 31 PC is built on a modern deep-V hull which strikes an excellent balance between stability and open-water performance. Below-deck, the mid-cabin floor-plan is organized with overnight accommodations for six, and a roomy head compartment. The cockpit is arranged with a lounge seating opposite the double helm seat, and the U-shaped lounge converts into a giant sun pad. Additional features include a transom shower, foredeck sun pad, cockpit wet bar, removable cocktail table, and a concealed swim ladder. A gas-assist hatch in the cockpit floor, combined with a foldaway transom seat, provides easy access to the motors.
