DETAILED INFORMATION

Manufacturer Provided Description

The Voyage 440 is a performance, luxury, bluewater cruising catamaran. The spacious galley up combines with the saloon and cockpit to form an exceptional entertainment area. All cabins have queen-size beds. The layout options offer either the Owners version with three queen-size cabins, and a choice of two or three head / showers; or the Charter version with four queen-size cabins, and four head / showers. The deck has been designed for safety and shorthanded sailing with all controls led aft to the coachroof winches. The 440 also features a generous performance sail plan. The ample deck and trampoline area allow for comfortable outdoor activities, and the large cockpit is shaded by a bimini with hardtop walkway aft. The traveler arch features a step-through to the dive platform.

Accommodations
