SPECIFICATIONS

Overview

The Hydra-SportsWalkaround is a well built fishing boat for those anglers that appreciate the conveniences of having a small cabin for the occasional overnight stay but still want walk around deck access to the bow. The 2600 offers a cabin complete with a v-berth, small dinette table a galley area as well as an enclosed head. There is also a small bunk area under the helm deck just aft of the main cabin. She is a good rough water preformer and with the twin 200 Yamaha's she will easily cruise 28 knots and reach top speeds in the mid 40's. Call today for full specs and details.
