SPECIFICATIONS

Overview

The 42 Tayana enjoys the reputation of a sturdy, well built, beautifully finished cruising yacht capable of ocean passages and comfortable live aboard accommodations. Her sailing characteristics are well respected.

Few yachts are as blue water capable as the Robert Harrison designed Tayana 42.

This yacht is in exceptional condition, extremely well equipped, loaded with spares and owner's and manufacturer's documentation.

Accommodations

As you step down the companion way ladder, from the cockpit, you immediately notice the beautiful joinery that has classic Tayana solid teak staving throughout. All doors are beveled and hand fitted. The interior is finished with a satin varnish and teak cabinet doors are louvered. Headroom throughout the boat is at least 6'4" or better, and the storage on this boat is incredible for a 2 cabin, custom layout. All 13 stainless steel opening ports, 4 large hatches and the companionway, all have screens. Behind the hinged companionway steps is a lift out door to an equipment room, providing easy access to refrigeration compressor, water heater, quadrant and more.

At the bottom of the companionway ladder, looking forward, the large galley is starboard. With a deep double bowl stainless steel sink, gimballed 3 burner stainless steel stove, oven and broiler, fridge and freezer, custom teak trash container. There is lots of storage above and below the generous counter space.

Opposite the galley is the quarter berth on the port side. It features a large double berth, two drawers and storage underneath. There is also flat chart storage, a hanging locker and a bureau with 4 drawers. Forward of the aft quarter stateroom is a head that was converted to a combination tool and mechanical room where the Entec 4.2 KW generator lives in its custom stainless steel, insulated box.

Moving forward again, you enter the large main salon, to starboard, there is a large table with u-shaped settee that seats 6 very comfortably, bulkhead mounted mirror with teak trim, brass wall lights, ships clock and barometer. Outboard are bookshelves with teak fiddles and louvered storage lockers. To port, is a settee that pulls out to make a comfortable sea berth. There are large drawers under, and more storage behind the settee. More louvered lockers and book cases. Aft of the settee is the aft facing navigation station and chart table. With its exceptional compliment of navigation and electronic equipment. The teak navigation table/desk has generous storage under the desk top and 4 large drawers. Forward of the port side settee, on the bulkhead is a Force 10 diesel space heater.

The starboard head is just aft of the V-berth, with pressure hot and cold water, marble vanity top and generous locker space. The head includes a new Jabsco electric freshwater toilet and holding tank. There is a large separate shower stall with a teak seat, custom curtains and rods as well as additional locker space. There is also 2 doors to the head, one from the V-berth and one from the main salon.

Moving forward to the V-berth there is a beautiful custom carved teak door. The large V-berth has the filler cushion, a seat below the filler cushion, port and starboard shelves, drawers, lockers, cabinets, full length hanging locker and bookshelves with lots of teak accents. The hand crafted custom mattress, sheets and bedspread. Teak doors on the forward bulkhead of this stateroom provide access to the chain locker.
