Exterior Designer: Philippe Briand

Interior Designer: Perini Navi

Engine Information

Engines: 2

Manufacturer: Caterpillar

Model: C32 Acert

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Comments

The new generation of Picchiotti motor yachts from the Vitruvius® series is born from the collaboration between Vitruvius Ltd, Philippe Briand and the Perini Navi Group.

The fundamental concepts behind the yacht project are expressed mainly in the hull and superstructure, in the arrangement of on-board spaces and in the abundance of tenders and toys for the exploration and discovery of the yacht's environment. These yachts have been designed for maximum efficiency and autonomous navigation. Picchiotti motor yachts share the attributes of the highly acclaimed Perini Navi sailing yachts for seagoing comfort, custom quality and long lasting value. The 45 meter Picchiotti has four potential layouts which includes 4 and 5 stateroom options as well as Owners suite on the main level or on the second deck. Like all yachts in the Picchiotti motor line the tenders are large and stored internally.

Currently three other Picchiotti motor yachts from the Vitruvius® series have been delivered from the Perini Navi Group's shipyards: the 50m "Exuma", the 55m "Galileo G" which has just completed her own maiden circumnavigation cruise, and the 73 m "Grace E" also from the Vitruvius® series delivered in September 2014.

Exclusions

Owner's personal belongings. Owner's personal toys, including but not limited Jet-skis, Tenders, Sea Bobs, Fishing & Diving equipment.
