Overview

The Flag ship of FERRETTI GROUP, until recently. She is in brand new condition with very little hours on main engine, done primarily on her delivery from the factory to her current location in Athens. Inside she is been kept to a very contemporary colours and design. Four very specious guest cabin, all with en-suit bathrooms. Crew accommodation for four, with separate crew dinning area. One owner from built. The owner originally bought the yacht, to be use in a river near his river-side villa. Then realised the yacht was too big and he decided to put her on the market and buy a smaller, less draft vessel. This is the opportunity to buy and owned a brand new Ferretti in a second hand price. Truly great yacht.
