## Overview

---

Rare opportunity to purchase this very well built Semi Custom Jarvis Newman 48'. It is in excellent condition throughout. Good quality design, construction, & power. "About Time" is a semi custom lobster style single engine cruising boat with a 15' beam. Fiberglass construction. She is powered by a 600 HP Lugger with low hours. Can cruise at 12 knots and burn 9 gallons per hour. Slow down and get even better range. Top speed is approximately 18 knots, equipped well with stabilizers, bow thruster, low hour Northern Lights generator and upgraded electronics. She is now available to preview at our docks in Seattle. Don't miss it.
