Total Cabins: 3

Total Heads: 2

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: DDC/MTU

Model: 12V2000

Fuel Type: Diesel

DETAILED INFORMATION

Remarks

Un-Reel is a very clean well rounded lightly used 56' Viking. It carries those details sought after in a 56' of this vintage, such as, the cross over split berth VIP forward stateroom newer style L-shaped bunks in the third starboard aft stateroom. Un-Reel is also powered with the reliable, preferred MTU 1480 hp engine package - offering a comfortable cruise of 32.5 knots with a top end of 39 knots. Un-Reel has been further complimented with amenities such as a custom teak deck in the cockpit with Release Marine Fighting chair mounted on a polished stainless offset pedestal, Eskimo ice machine, Watermaker, Bow thruster and Satellite TV.

The vessel is kept under a covered slip and shows light use, reflected by her low original 2100 hours. The 2000 hour service has also been completed. Un-Reel is a nice choice for the sport fishing enthusiast not looking for a tower, but a nicely equipped convertible with a superior ride, range and performance.

Salon

- Sony Audio/Visual center below main electrical panel
- Hunter Douglas Silhouette Blinds
- Dimmers on Overhead Lights
