SPECIFICATIONS

Overview

Wuling is a heavy displacement bluewater boat particularly well set up for cruising in comfort and style. Built with the lesser seen but highly desirable 4 cabin layout this boat has charter boat as well as live-aboard potential. Her owners have looked after her with meticulous care making sure nothing was neglected. A major refit in 2005 at Wayfarer Marine in Maine along with numerous yard periods and improvements since then makes her the best in her class. Some highlights of the 2005 refit include totally recored and awlgrippped decks, awlgrip hull, rebuilt hatches and windows frames, and so many more too numerous to mention. Check out the details and see for yourself!
