SPECIFICATIONS

Overview

The engines on MAGNIFICA have recently been through extensive service. They are twin MTU 12V 2000 @1370 hp each with 1680 hours. The topsides were painted in 2005 and the bottom was painted in Feb, 2012. MAGNIFICA features a radar arch with a retractable electric powered sun roof. The upper deck is air conditioned with an isinglass enclosure. The upper deck has all new cushions (2005) and a varnished teak bar with BBQ grill. Exiting the upper deck is a walk around with a center sunpad. There are also sunpads on the bow. The boat sleeps 6 in 3 staterooms plus crew quarters. A stairway leads down from the cockpit to the salon. The salon features high gloss burled cherry furniture and a flat screen TV. MAGNIFICA comes equipped with a garage currently storing a 12’ inflatable tender (not included in the sale) or a jet ski (not included in the sale). The teak cockpit, swim platform and aft deck make this boat very appealing. She cruises at 37 knots and tops out at 41 knots.

Vessel Walkthrough

MAGNIFICA is a very large, well constructed express cruiser built to the highest standards by Baia Yachts. The midnight blue hull is outstanding and the white superstructure compliments the beautiful exterior profile of this stunning Italian yacht.

The fiberglass hard top with radar arch is very versatile. When the electric powered sun roof is closed, the immense cockpit lounging area can be closed off with Isinglass curtains and air conditioned. The expansive cockpit has a helm station forward that was given new dashboard graphics in 2013. There is bolstered seating for 6, while to starboard are 2 refrigerated drink lockers, a U-Line icemaker, and wet bar with built-in flat screen TV.

Aft is a very large, luxurious U-settee that will seat up to 10 guests, while opposite is an L-settee with space for up to 4. Both cushioned settees have hi/lo tables. The entire cockpit and aft deck are finished with teak decking. The foredeck is clean, uncluttered and open with a very large sun pad that has a non-skid patterned cover when not in use. This area also has hatches accessing the crew quarters.

A comfortable stairway leads down to the salon. The main salon is beautifully finished in high gloss cherry wood, off-white wall coverings and high quality beige knit carpet. There is a central vacuum system throughout. The main salon features an expansive oval seating area to port accented with custom crafted burled cherry cabinetry, drawers and cupboards. The cherry wood entertainment center to starboard houses a Sony Trinitron TV, Sony RXDS stereo system and Sony VHS VCR.

The galley to starboard is very functional and can be open to the main salon or enclosed with a beautiful pocket door and sliding partition.

Aft Deck

The stern hydraulically lifts providing generous storage for a 12’ inflatable tender or jet ski. The sole of the garage has built-in chocks and an electric winch mounted on the forward bulkhead that provides easy retrieval and launching.

The integral swim platform has built-in hardware for the swim ladder. The cockpit aft deck is covered with a large built-in sun pad (approx. 12’ x 7’) with the sun pad actually measuring 10’ x 12’

- Hard top retractable sunroof
- Smalvic grill
- U-Line icemaker
- Safety package
● 600 gpd water maker

Main Salon

A stairway from the cockpit leads down to the salon. There is extensive direct/indirect lighting with remote switches. The salon features a high gloss cherrywood interior, off white wall coverings and high quality beige knit carpet. There is a central vacuum system throughout. There is a large oval seating area to port with a custom crafted burled cherrywood table controlled hydraulically.

● Built-in cherry cabinets and drawers
● Cherry entertainment center w/Sony 21” Trintron TV, Sony RXDS stereo system and Sony VHS/DVD/VCR
● High gloss burled cherry furniture
● Leather & Italian fabric finishes on furniture
● Lacquer & fabric paneled bulkheads
● Cabinetry & book rails throughout
● Moquette flooring

Galley

The galley is very functional and can be open to the main salon or enclosed with a beautiful pocket door and sliding partition. Two large opening ports give good light and off-white high-gloss cabinets and shelves make the area airy and light.

● Bosch separate refrigerator & freezer
● American compressors
● 4-Burner halogen electric stove top
● Whirlpool 100 microwave oven
● Bosch dishwasher
● Icemaker
● Double sink

Master Stateroom

The master stateroom is beautiful and exquisitely appointed with a centerline queen bed surrounded with built-in high gloss cherry wood cabinetry. The cabinet tops are finished with a beautiful burled cut. The light head liner and bulkheads compliment the Italian woodwork creating an open, airy space.

● Built-in entertainment center w/AIWA TV/VCR and a swivel, pull-out vanity below
● Coverlet bed fabrics
• Pillow shames
• Safe
• Emergency exit hatch
• En Suite Bath w/large shower
