## Overview

---

Preliminary Listing. Boat is currently going through a refit, and will be photographed towards the end of October when completed.

**BUILDERS REMARKS:** This new breed of power catamaran is designed by the famous naval architects Morrelli and Melvin. What other power boat offers four double state rooms with en-suite heads and stall showers, in addition to the best fuel economy and range currently on the market. Ideal for ICW, islands and off shore sport fishing.

**BROKERS REMARKS:** The design makes for a spacious, comfortable, and economical way to get out on the water. Large water and fuel tank capacities give her great range. The design and helm position make her easy to maneuver with great visibility. Generator, air conditioning, aft seating/swim platform are some of the main features.

## Basic Information

---

**Category:** Catamaran
