SPECIFICATIONS

Overview

This excitingly innovative and tastefully refined 50 m (165 ft) superyacht is the largest in the Dynamiq GTT range, created for those seeking the ultimate in efficient performance and motion comfort. In addition to the light and robust hull built of Sealium aluminum alloy, her cutting-edge technology includes a fast displacement round bilge hull, advanced stabilisation system, Hull Vane and active T-Foil (Hull Vane assist). Ten or twelve guests are luxuriously accommodated in five or six staterooms. Capable of 20 knots and a range of 4,000 nautical miles, owners can also choose an optional hybrid propulsion system for even better efficiency and silent operation. The GTT 165 is your exclusive home on the water for exploring the world in the company of family and friends. 32 months from contract signature
