Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Intro

The Searay 46 Sundancer was introduced in 1999 as the replacement for the popular 45 with many changes making her a different and better boat. She has a nice blend of a modern sport boat, style, luxurious accommodations, top quality construction with a wide 14'8" beam for a beautiful layout and a lot of space.

Accommodations

Large master stateroom forward with an Island queen berth. A good nights rest is assured with the optional Handcraft Mattress System. Forward to port is the private head and shower. A second guest cabin is aft and can be used as a lounge area. Second head is complete with VacuFlush System. Leather sofa dinette easily converts to a sleeper at the push of a button.

Galley

Full galley to port complete with three burner cook-top, refrigerator, microwave/convection and Corian counter tops with the look of class reflected in the high gloss maple cabinets.

Electronics

Raytheon TriData Raytheon 398 GPS with WAAS Raytheon 601XX Plotter Raymarine 10.4 Color chartplotter Clarion AM/FM CD Stereo system Raytheon 210 VHF Raytheon R-41 Radar Raytheon 650 Auto pilot

Remarks

You will be hard pressed to find a better 46 on the market and I don't believe you will. The current (only the second) owner is meticulous about everything. This boat has been cleaned and waxed on a weekly basis. The gel coat glistens better than most 2004 boats I have seen. Exterior cushions are perfect as is the interior of this boat. It is the cleanest 1999 boat that you or I have seen! Enough said. If you're in the market for a mid to large sized Searay Sundancer this should be your last stop. You know, "Save the best for last". Come check it out - make an offer - and be the next proud owner of this beauty!!!
