Crew Sleeps: 1

Crew Heads: 1

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 1

Manufacturer: Volvo

Model: DPX 500

Fuel Type: Gas

DETAILED INFORMATION

Accommodations

Commander's 2800 CAT was introduced in 1999, featuring the latest in air-entrapment hull technology and design. This nimble and stable hull is capable of speeds in excess, to 100-mph with a variety of power options, while riding extremely smooth and being incredibly manageable. It also incorporates a unique amount of interior roominess, often lacking in other similarly styled hulls including a usable forward cabin with its own privacy door. In spite of its many onboard amenities, the 2800 CAT has not compromised its performance. Industry professionals and experienced boaters alike have unanimously agreed that no one builds a better all-around air-entrapment hull than Commander. Our owner waited a year to get this boat. She's done in red, white and blue with a black pin stripe. Her gelcoat goes from red fade with flames to dark blue fade, into black with blue and white checkers. Her pop-up cleats and gages are also, red, white and blue. This boat is powered by a fast, Volvo DPX 500 engine, 475-hp, Duo Prop (fresh water cooled) with only 6-hours of usage. An elder family members illness forces this owner to sell, as he has no time available to use the boat. This beautiful boat is in new condition, is kept indoors and comes with a tandem axle trailer to haul her; she has many other extras, so please give us a call for more details. For more information about this listing please contact Barbara Clayman @ 941-925-1439

Exclusions

Owner's personal belongings. Owner's personal toys, including but not limited Jet-skis, Tenders, Sea Bobs, Fishing & Diving equipment.
