SPECIFICATIONS

Overview

The 52' Viking continues to be Vikings most popular model with the PATTY ANN being an excellent example. Her popular layout is very spacious with the galley up and three full staterooms and two heads below. Her 1300 MAN's give her great speed and economy. Her hull color is light blue and she was painted in 2008 (hull and topsides). Patty Ann shows very well and is also the 1st 52' Viking that is fully stabilized for even more comfort. Her engine hours are original. She is easy to show in West Palm Beach at the Palm Beach Yacht Club. Please note that the seller will remove her stabilizers if so requested.
