DETAILED INFORMATION

Feature

JBYS Stk# B5062

RECENTLY REDUCED!!"Grace and Style" are the terms used for this beautiful yacht. From her raked bow to the reverse transom, the 50 Sport Cruiser/Flybridge Yacht is a floating treasure of luxurious and practical amenities. But she is more than just good looks, as she also possesses the mettle to handle the call of a performance cruiser, with turbo-charged twin diesels. Accommodations include a large teak deck cockpit with stairway up to the generous tri-area bridge with upper helm under a bimini top. Through the sliding glass door enter into the spacious main salon where the U-shaped settee w/table is on starboard, then forward and two steps up is the dual-seated lower helm. On port is the convertible sofa, entertainment center, built-in bar, refrigerator & ice maker. Step down to the comfortable galley, then to the dinette, and a full guest head. Opposite is a guest stateroom with twin berths, and further forward is the master stateroom with en-suite head and separate stall shower. A total of 6 people can cruise most comfortably on this yacht for an extended length of time.

Accommodations

Entering the main salon is accomplished from the cockpit through a brightly polished SS framed triple sliding-glass door. Seen immediately is the gleaming, lacquered cherry joinery and the exquisite detailing all around. Natural light & ventilation breezed through the tinted safety glass side windows and the triple windshield. A U-shaped settee w/table is to starboard and faces a convertible sofa on port, a TV center and built-in bar w/bottle stowage & refrigerator. The main helm is to starboard, two steps above the salon and has exemplary visibility that yields a 360-degree view. One step down from the helm, to port is the U-shaped full galley. Further forward is a dinette, large table and the guest head. Opposite to starboard, is the guest stateroom with two single berths and most forward is the master stateroom with en-suite head and separate stall shower.

 log Northstar 952XD color DGPS chartplotter bridge Simrad-Anritsu 10" LCD radar slave
 w/combo antenna Shipmate RS8300 VHF Plastimo monitor @ lower helm Motorola cellular
 6" compass phone @ lower helm

Deck Equipment

The cockpit is teak-planked, has a seat for four (4) w/cushions and stowage lockers, as well as a hot & cold shower. A wide, molded stairwell has solid teak-planked steps for secure footing up to the flybridge. The bridge is extremely functional for navigating and entertaining, as it's divided into three (3) areas. The adjustable helm w/companion seat, and then opposite is a U-shaped settee with dinette table and refrig in arm-rest, plus a large sunpad w/stowage below. Wide side decks w/molded nonslip and smartly placed grab rails make it easy to move safely about.

Additional

The white hull is hand-laid, solid fiberglass and is a deep-Vee running surface with molded spray rails to enhance the modest weight ride. A shallow draft eliminates worry when island cruising or negotiating unfamiliar waters.
